

Fundraising Mother's Day stall

Mother's Day is Sunday May 14th

We are having a Mother's Day Stall as a fundraiser for the Kindergarten. We are asking families to donate a gift to the value of \$5.00 which we will then sell on a stall at Kindy.

The children get to choose and purchase a gift at the stall and have it gift wrapped by our wonderful Governing Council volunteers. The children love this activity because it is the one time that they get to choose a gift for Mum without Mum being around and then hide it until Mother's Day! The children CHOOSE the gift, so no prompting that you want the gift back that you donated!

If you wish your child to buy extra gifts for Grandma/Nanna etc. you will need to supply the extra number of gifts.

The children bring their \$5.00 (or \$10 or \$15 depending on the number of gifts you donated) to kindy on the day and are assisted to buy the gifts.

You will need to bring your donated gift to kindy by Tuesday 9th May for the stall on Thursday the 11th May.

This is an easy and fun way for us to raise some extra funds for the kindy so please help your child to participate.
