

Governing Council

The AGM will be held in conjunction with Acquaintance Night and we require parents to become Governing Council Members.

This is your chance to have a voice in the running of your child’s kindergarten!

Please see a staff member or fill in and return the slip below, if you would like to be a member of the Governing Council this year.

Meetings are held twice a term at the kindergarten and have traditionally been held on Tuesday nights.

The new Governing Council (who will be elected at the AGM) will decide on the night that is most suitable for the elected members.

The Kindergarten can not operate without a Governing Council so **please** consider nominating.
