

Profile Books	School Starters
<p>All children are able to take their profile books/folders home for the holidays to share with family and friends but please remember these are a precious resource that we need to have returned at the beginning of next year so that more of their work samples, photos etc can be added. If you would like to contribute to the profile book/folder during the holidays with stories or photographs of your holidays please do so. This is a wonderful way of bringing home life into the children's learning at kindy.</p> <p>The profile books/folders will be sent home on Tuesday of the last week of kindy.</p> <p>The calico bag your child has painted will also be sent home (containing the profile book/ folder). Please ensure that this is returned also, for your child to use for library borrowing.</p> <p><u>Library Book /Story Kit borrowing</u></p> <p>All library books and story kits need to be returned as soon as possible and there is no more borrowing for the term. Please remember if you have lost a book or a piece out of a kit talk to a staff member so that it can be replaced.</p> <p><u>Enrolment Day</u></p> <p>This day is for new / pre-entry families, who need to fill in enrolment forms, buy t-shirts/hats etc. Full time children's parents are welcome to come in and pay fees, if that is convenient but it is not necessary.</p> <p>Thank you to those people who have already offered to help with end of term clean up! If you haven't offered yet there are still plenty of jobs to do and we would really appreciate the help!!!</p>	<p>Next week we say farewell to the following children and their families: Keelie Dell, Mason Knight, Noah Lim, Luis Moore, Finnian Muirhead, Saxon Nickels, Ava Pickering, Jai Pisani, Megan Prettejohn, Isaac Robson, Brooke Silby, Jett Valentine and Eric Webb. We wish them all the best for their future and hope they think of us and let us know how they are getting on. We thank the parents of these children for their help at kindergarten.</p> <p>We will have the opportunity to say goodbye to these children at the Christmas Concert next week when they will receive their profile books and certificates.</p>
