Curriculum update

This term we will be continuing to follow children’s interests with regard to curriculum planning. We will continue with learning about bugs as long as the children are still interested. We will also be learning about feelings in preparation for the performance ‘Cranky Bear’ which we will be seeing in week 4.

Only full time children will be attending the excursion.

Parent helpers

We love parents help at kindergarten and welcome all parents and grandparents to give any time that they can Please remember when you are staying at kindergarten to sign in the visitor’s book. This is an OHS&W requirement and keeps you safe in case we have an evacuation.

If you would like to be a parent helper with excursions etc. you will need to have a police clearance. Forms are available from Anne and the kindergarten will fund the cost of the clearance.

NUT FREE ZONE

Please remember we have children who are allergic to nuts at kindergarten so PLEASE do not send anything with nuts to kindergarten. Sesame seeds also fall into this category so please do not send bread, rolls etc. with sesame seeds.

NO MUSLEII BARS PLEASE

Planning is underway for our major fundraiser for the year, the kindy disco. If you would like to help to organize this event or help to get donations from local businesses please see a staff member

Parent/Teacher meetings

This is our way of reporting to parent and for those who have taken up the offer it has been very a valuable exercise for both parties.

If you missed out last term and would like a meeting with either Anne or Margaret, please make an appointment as soon as possible.

Thank you Thank you Thank you!!!

To Curtis Cox’s Dad, Adrian for cleaning out the gutters during the holidays and to Orlando’s Mum and Dad, Elliot and Evangeline for cleaning the windows.

T- Shirts, hats and windcheaters are available for purchase. Please see a staff member if you wish to purchase any of these items.
