NEWSLETTER No. 4

7th April 2015

Garage sale

There is a flyer on the back of the newsletter today about a garage sale fundraiser that the Governing Council is organizing.

Please support this if you can, as all funds raised will be used to benefit the children at kindergarten.

If you would like to help organize this fundraiser please see one of the Governing Council Members.

We are planning it for the end of week 1 in the hope that the weather will not be too cold or wet.

As this is a very tight turn around we will need helpers to volunteer their time as soon as possible.

Last week of kindergarten

As this is the last week of kindergarten, we need some volunteers to help with end of term clean up. Jobs include tidying the shed, storeroom, disinfecting toys etc. If you can give some time to help, please see Charmaine.

Thank you to our wonderful parents!!!

A big thank you to Michael's Dad, Donovan for painting the lines near the swings and for cleaning out the gutters.

A big thank you to Tex's Dad, Dave for fixing the wood on the cubby house.

Thank you to Kelsie's Mum, Virginia for volunteering to be our librarian and helping children borrow library books.

Thank you to all the parents who have been helping out in any way at all, gardening, washing or helping to pack up at the end of sessions.

Kindy Photos

☺ Remember to bring your smile!!

We have booked the photographer for kindy photos on Tuesday 26th May. The cost for the Preschool Album is just \$30.00 and includes 3 activity photos, 1 group photo and the 4 page album. Additional photos and or albums can also be ordered. The photographer, Jill always does a wonderful job of the photographs. You only need to pay when you pick up the photos. Please let us know if you do not want your child to have their photograph taken.

Little Athletics

Next term we are having 2 sessions of 'Little Athletics' at kindergarten There is no cost for this activity and the children will all be involved.

Child and Youth Health Screening

We will let you know if you are eligible for a health screening for your child. These are held at the kindergarten and are facilitated by Child and Youth Health. See Margaret for details.

Curriculum News

Our next group of 'Learning Leaders' Michael, Neelix, Kelsie and Charliee will be leading the learning at kindergarten for the last week of term and first week next term. Kelsie has already brought in her pet rock, which some of the other children copied and made their own pet rocks. Learning Leaders are welcome to bring things in from home to add to the learning at kindergarten.

Entertainment Books

The kindergarten fundraises through the sale of Entertainment Books which are a wonderful book of savings for families. Early orders get an extra 6 vouchers to use in the next few months. The books cost ^ \$65.00 and \$13.00 of that goes to the kindergarten. Last year we raised % \$500 from the sale of these books. So please ask friends, family and workmates if they would like one. Flyers in pockets today.
