NEWSLETTER No. 5

12th June 2014

Fees

Term 2 fees are now overdue. If you haven't paid these you can pay them via direct deposit, cheque or cash. Please pay as soon as possible. We rely on kindergarten fees to buy paint, paper, printing ink and all the other consumables.

If you are unsure if you are one of the 10 families who have not paid yet please see Charmaine. If you pay by direct deposit don't forget to put the slip in the fee box so we know you have paid.

\$900.00 is a lot of money for the kindergarten to be owed.

Curriculum update

The children have been very interested in bugs and worms over this term. Today we are having Kristin from "Bugs n slugs" visit to share some of the wonderful creatures that she has collected to educate children about this very important aspect of our living environment. The children have been thinking about questions that they want to ask Kristin.

The Program for kindergarten is based on children's interests and their needs. If you have any concerns about your child's development please talk to one of the teachers at any time.

Thank you to those who have already sent them in but just a reminder.....

Winter Wellies

If your child has rubber boots at home please send them to kindy when your child attends, especially if they like digging in the dirt. We are trying to keep the new carpet clean and muddy shoes are not helping!!

Governing Council

Governing Council will be meeting next Tuesday the 24th of June at 7.00pm at the kindergarten.

Please write your name on the list on the outside table if you are coming or if you are an apology. If you would like to read the minutes of the meeting you are welcome to look at them, in the green folder next to the sign in/visitor's book.

Diary Dates

Tuesday the 24th of June:
Governing Council meeting
7.00pm.

Tuesday July 1st: Funky Nature Play Time visiting kindy.

A note will come home for consent and asking for payment of \$7.50 in the next week or so.

This is a one hour show of fun and discovery, natural building blocks, bark painting using crushed rocks, recycled instruments and water walls.

Parent/Teacher meetings

We are offering parent teacher meetings as a way of reporting to parents this term.

If you would like a meeting with either Anne or Margaret please make an appointment as soon as possible.

Profile Folders

Children will once again be bringing their folders home to share with you and other family members. These are a precious resource for us and for the children so please take care of them and return them next term after the holidays.

These folders are another way we report to families about children progress.
