**Thank you**

Thanks to the families who brought their children along for the Christmas Pageant last Saturday. A huge thank you to Peter Buck who decorated and drove the truck and to Tad-Mar Electrical for the loan of the truck. Thank you also to Jodie Dell who organized it through her brother. The children all looked fantastic and we had many favorable comments on our float! Thank you to the families who have helped out with washing and gardening this term. The garden looks very healthy at present, so thank you!

HELP PLEASE!!!!
The last term is usually a very busy one so there will be occasions where we will be asking for parent help. Please help out wherever you can, the more help we get the easier it is for everyone. 😊

**Profile Folder and Bag**

If you haven’t paid for your profile folder and bag ($10.00) please do so as soon as possible. The bags are a perfect size for literacy kits and profile books and are decorated by your child. The profile folder contains your child’s photos and samples of their work and is a wonderful and precious keepsake. The bags which have been completed/decorated are ready for use and are hanging up near the Literacy kits- please use them for library and literacy kit borrowing to keep items clean and to prevent loss or damage.

Pre-entry parents may have missed this information about the $10.00 to cover the cost of the folder and bag which was in a previous newsletter. Please see staff when you pay so we can mark your name off the list.

**Grandparents/friends Day**

Thank you to the families who arranged for their children’s grandparents/grand-friends to come along to kindy today. We had over 40 people attend throughout the morning. It is very special for children to show their kindy to their families/friends and we appreciate all the support that grandparents/grand-friends give to the children.

Thank you to Anna, Debbie, Felicity and Chris who helped out during the morning. A special thank you to Anna also for making cakes for morning tea.
